About the Program

The Practical Nursing Program here at Lex La-Ray is an intensive eleven month program of academics and clinical experience. The Faculty here at Lex La-Ray cares about your success in the program and your future as a nurse. After your acceptance to the program we offer orientation and financial counseling to help you off to a great start. During the year, faculty are available for help before and after school to insure academic success.

Our program is one of three programs in the state of Missouri to offer a Success Coordinator to help meet student needs. Before graduation the Success Coordinator implements a Career Fair to introduce students to future employers in the tri-county area.

Due to the outstanding reputation of the Lex La-Ray Practical Nursing Program, PN students, f successful in gaining employment upon graduation.
