Objectives of the program:

Upon completion of the Lex La-Ray Technical Center Practical Nursing Program, the graduate Practical Nurse will be able to:

1. Practice nursing that is client centered, caring, culturally sensitive and based on the physiological, psychological and spiritual needs of clients.
 2. Serve as a member of the interdisciplinary health care team to promote continuity of care.
 3. Use current evidence from scientific and other credible sources as a basis for nursing practice and clinical judgment.
 4. Promote quality improvement by contributing to the implementation of care-related plans to improve health care services.
 5. Provide a safe environment for clients, self, and others.
 6. Use information technology in the provision of client care.
 7. Provide selected health-related education with guidance.
 8. Practice nursing in a professional, ethical, and legal manner.
 9. Use leadership skills in the provision of safe, quality client care.
-

Philosophy of the program:

- The faculty of the Lex La-Ray Technical Center Practical Nursing Program believes and functions in accordance with the stated philosophy of the Lexington, Missouri R-V School District.
 - The role of the practical nurse is to provide quality care in all nursing situations with minimum and direct supervision and direction from a registered professional nurse and /or a licensed physician.
 - We believe that due to the role of the practical nurse in the health community, the core of the education of this nurse must be integrated curriculum based on the biological and behavioral sciences with development of interpersonal relationships, assisting in the development of an individual plan of care, and recognizing changes in the condition of the client indicating the need for professional assistance.
 - We believe in human dignity of each individual and respecting cultural and ethnic diversity
 - We believe that the Lex La-Ray Practical Nursing Program should continue to be strengthened, improved and expanded in accordance with the needs of our community and Practical Nursing Education.
 - We believe in a policy of non-discrimination regarding sex, age, race, color, creed, national origin or handicap, as specified by federal and state laws and regulation.
-

Application Requirements:

The applicant must submit the following by April 1, 2022:

1. Pass the ATI Test of Essential Academic Skills (TEAS). Acceptable scores taken within one year of the application process may be transferred via official transcript from the school where the exam was administered.
2. Pay application fee of \$45.00.
3. Take the ATI TEAS exam. **An adjusted total individual score of 44.0% is required to qualify for admission.** Only test scores dated on or after April 1, 2021 will be accepted. Register and pay (\$85.00) for the ATI TEAS test online at www.atitesting.com after creating a user account on the ATI website. Registrants will need to visit the ATI "online store". Scores will be accepted from applicants who retake the test if a 30 day period has elapsed between testing dates, up to two times within a calendar year. **If taken at another institution, it is the applicant's responsibility to have scores sent to Lex La-Ray Technical Center.**
4. Lex La-Ray Technical Center Practical Nursing Application with essay questions.
